

LOOKING TO MAKE THE JUMP INTO HOCKEY? YOUR JOURNEY BEGINS HERE!

Our Learn to Play program offers instruction year round where boys and girls will learn the basics of skating, puck handling, passing, and shooting. As the session progresses, players will learn positions, where to be, and how to play the game.

We provide safe, positive, and progressive hockey skills training catered to each player's ability level. All programming mirrors that of the USA Hockey Athletic Development Model, not only bettering the hockey player, but the athlete, as well!
